SIOPOR®
EXCELL

Flame retardant, anti-static rain jacket

Water-repellent, windproof, flame-retardant, anti-static, tear-resistant, light and comfortable, those are the many strengths of the Durant! This raincoat in SIOPOR® Excell stops the wind also thanks to the elastic wrist bands that can be narrowed and the standing collar that can be fitted with a hood. With a chest pocket, a Napoleon pocket, two pockets on the outside and two on the inside there is certainly plenty of storage space. The narrow reflective FR strips and the two loops for gas detection meters complete the Durant.

Flame retardant, anti-static rain jacket

Durant - 7237A2ET1
