

Cardinia

9634N2TV4

Softshell with ARC protection

Stylish arc protection in a 3-layer laminated softshell. The low maintenance Cardinia has a standing collar, one inset chest pocket, two inset pockets on the side and one inside pocket. The Cardinia keeps you warm and dry and if you narrow the sleeves using the touch and close fastening it protects you from the wind. The softshell has been fitted with a narrow reflective FR strip on the arms and chest. The Cardinia can be worn separately or as extra lining in many multi-norm raincoats.

Softshell with ARC protection

Cardinia - 9634N2TV4
